

Product Requirements Document (PRD): Pooja Store

Version 1.0 — Everything Spiritual. One App. Anywhere in the World.

1. Introduction

1.1 Purpose & Executive Summary

Pooja Store is a complete digital platform for Hindu spirituality. It combines daily spiritual guidance, pooja product shopping, online and offline pooja services, verified poojaris, temples, astrology, donations, and community features into one application. Unlike a traditional e-commerce app, Pooja Store aims to become a **daily spiritual companion**, encouraging users to engage every day through personalized content, reminders, and religious services.

1.2 Vision

To become the world's leading Hindu spiritual platform by connecting devotees with temples, poojaris, pooja stores, and spiritual knowledge through technology.

1.3 Mission

Make Hindu rituals, festivals, temple services, and spiritual guidance accessible to everyone, anywhere in the world.

2. Target Audience & Markets

2.1 Primary Markets

- India
- United States
- Canada

2.2 Target Audience & Personas
